## PROFESSIONAL EXPERIENCE

**Consultants for Global Leadership (CGL), Beijing**
*Intern for Overseas Business team*

- Conducted market-mapping and talent research to identify profiles aligned with organisational requirements. Sourced candidates on LinkedIn, Chinese job-hunting applications and other social media platforms. Engaged with candidates across diverse cultural and industry backgrounds during initial screening calls, requiring strong intercultural communication and agile problem-solving skills
- Collaborated closely with the Team Director across 5+ concurrent projects, achieving a 40% shortlist-to-interview conversion rate across 50+ professionals
- Selected as the company's first international student ambassador to promote recruitment opportunities to international students, supporting international talent acquisition efforts. [View Video]

## SKILLS
